

Practice Log Reminder

Hello! You are receiving this letter because your child did not log any practice time for the week of Sept 16. Please remind your child to practice 15 minutes everyday (Monday through Friday). This will count for a homework grade (35%). Scholars, should submit their practice time through EEi (www.EssentialElementsInteractive.com) by Sunday night at midnight to receive credit. Those scholars who do not have internet access at home may log their time in the JMA media center or on my computer in the band room. I constantly remind scholars to log their practice time on a daily basis. Scholars also received information about EEi. All of this information is on the syllabus which can be accessed by EEi and on the new JMA band website... www.jmaband.weebly.com.

Submitting practice logs through EEi –

Please visit www.EssentialElementsInteractive.com and click Students. Log in with your child's username and password. If your child has not set up an account yet, please click on Activate Account. Have your Essential Elements Book near by and follow the directions on the screen. If you would like for me to create you a parent account (which will update when I send your child information), please email me. If you have any trouble, please email me or the EEi help desk. *Once you are in EEi, click Practice Logs next to your child's name to submit daily practice logs.

Parents, we give 2 concerts each year, and practicing is very important. Thank you for your continuing support! If you have any questions or concerns, please email me at stevend.robison@cms.k12.nc.us.

Scholars, remember... "Perfect practice makes perfect performance!"

Thank you and have a good day!

Steven Robison

Director of Bands
